WASHINGTON, DC – Congressman Robert C. "Bobby" Scott announced today that he will be hosting a forum in Norfolk on Monday, December 10th to hear from constituents about voting irregularities.

"On Election Day, there were reports of severely long lines at the polls throughout Hampton Roads," said Rep. Scott. "There were also reports of problems with voter registration in the weeks leading up to Election Day. This forum will provide me the opportunity to hear first hand from my constituents about the problems they may have faced in exercising their right to vote and will help me identify potential ways to alleviate these issues legislatively at the federal level."

The forum will be held on Monday, December 10, 2012 from 7:00 p.m to 8:30 p.m. in the City Council Chambers at Norfolk City Hall located at 810 Union Street in downtown Norfolk. This event will be open to the public.
