

This page will provide you with information on how to order a United States Flag through my Washington office. These flags can be flown over the United States Capitol in honor or memory of a person or special occasion. To place your order by mail, fill in the form below, then click the "Calculate Prices" button to see a customized order form you can print out and send in. We only accept checks for flag orders. We do not at this time accept credit cards.

There is no limit on the number of flags you may order. Flags can be purchased in multiple sizes. All flags are sold at cost. Please allow 5-6 weeks for your request to be processed and delivered.

If you choose to, you may have the flag flown over the Capitol Building. All flags flown over the Capitol are accompanied by a certificate of authenticity. Flags may be flown for a particular person, event, or organization, and may be flown on a specific date. If multiple flags are requested to be flown, they will all be flown on the same date and shipped at the same time. If you need flags flown on different dates, you must submit separate order requests for each separate date to fly the flags.

Here's an example of what a certificate accompanying the flag might say:

"At the request of the Honorable Robert C. Scott, Member of Congress, this flag was flown for John Smith in recognition of his retirement from teaching after 40 years of dedicated service."

To proceed to the order form, please first fill in who is purchasing the flag, and where the order will be sent.
